SCHOLARSHIP & BURSARY LIST

See the master list on the next page. This list has as all the local scholarships and bursaries that I could find and more!

Things to note:

- The empty column on the left is for you to mark which awards you would like to apply for or find out more information on. Once you have marked the ones you are interested in, drop off the list with the Counselling Secretary, Denise, and she will put a package together with full criteria of each award for you to review.
- On the list you will see highlighted areas, most often it is indicating a special application. That means that this award provides their own application for applying....make sure you use it and not our standard one.
The other thing a highlight could be pointing out is that the award funds are specific to CVOL students (CVOLC, Grove, Adage). This is an advantage because you are not competing with students across the district...just your own peers here at our school.
- You will also notice that the deadline column has many blanks. The standard deadline is **Friday, March 13, 2026**. So, if blank, you need to have it submitted to me by this date! Otherwise, alternate dates are posted in the column.
- Applications are submitted to the counselling office. **DO NOT deliver yourself**. Good practice is to ask an adult to review your packages to ensure you have all components required.

If you have any other questions, feel free to ask Denise or Cindy in the Counselling Office. If it seems overwhelming ask a teacher, support staff or parent to help assist you. We are here to help you be successful!
